

Marilyn L. Redmond

Marilyn's story is almost unbelievable and inspirational to many who have medical and relationship problems. She transformed her life from domestic violence, nearly a dozen life threatening events, resolved nine addictions, and was declared sane by her psychiatrist.

She found herself searching for answers in her early years. The following quotes directed her to question what she learned. Edgar Cayce says, "There are in truth no incurable conditions..." And "If any man be in Christ, he is a new creature". II Corinthians 5:17.

Marilyn is an International Award Winning Writer, Speaker, Author, Consultant, Columnist, Counselor, and Psychic/Medium to help you find your empowerment and higher consciousness. She has presented programs for over 25 years, at universities, colleges, wellness centers, and metaphysical groups.
